Duranite Air Glove

SPG-80361-5 - 1 X PAIR

GREY/BLACK

S-2XL

Description:

The SPG803 Duranite Air Glove features a breathable coating that promotes excellent airflow around the hand, enhancing comfort during extended wear. Its flexible sandy Nitrile coating provides a strong, reliable grip in both wet and dry conditions, while the Nitrile synthetic rubber construction offers high resistance to oils and fuels, ensuring durability and consistent flexibility. The ultra-lightweight 18g knit design delivers exceptional dexterity, making the glove ideally suited to precision and intricate handling tasks.

Despite its robust performance, the glove remains comfortable for long periods thanks to its lightweight structure. Supplied with a retail hang card, it's ready for easy and impactful in-store display.
