

F071 : BUDGET T.F.R.
NON CAUSTIC TRAFFIC FILM REMOVER

BUDGET T.F.R.	F071
---------------	------

non caustic traffic film remover

description	A Non caustic Traffic Film Remover Concentrated formulation - economical
application	For use with all makes of pressure washer. Economical - predilute before use. For use in hard and soft water areas. Fast action formula for rapid cleaning.
directions	Budget T.F.R. would normally be diluted with water before use:Vehicle bodywork: 1 part Budget T.F.R. - 4 parts water. Chassis cleaning: 1 part Budget T.F.R. - 1 part water. Adjust the detergent feed rate as required, but always try and ensure that this is kept to a minimum whilst maintaining the desired cleaning action. Lightly pre-spray the whole vehicle before removing soil and traffic film using even sweeps of the lance at high pressure and at temperatures up to 70°C. Turn off the detergent feed and thoroughly rinse the vehicle. CAUTION: Product must always be tested on alkali sensitive surfaces before use. Never use this product in direct sunlight or allow the product to dry out on the surface or staining may result.

Technical	
Composition	A blend of alkaline builders, nonionic and anionic sufactants,sequestrants, soil suspending agents ans solubilisers
Appearance	Clear liquid
Colour	Green
Density	1.040
pH	>13.5
Fragrance	Unfragranced
Stability	2 years in a unopened container

Biodegradability	All surfactants contained in Selden Products meet the requirements of the EU Detergent Directive 2005 – 2004/648/EC. This requires all surfactants to break down both quickly and completely into harmless material such as CO2 and water. Product is for professional use only.
